

IMPORTANT NOTICE:

Effective 1 November 2019 Cellular One will begin providing Emergency E911 through the Wireless Dispatchable Location Services (WDLS). WDLS provides better location accuracy for people calling in an emergency 911 situation.

~~ NOTE: AT THIS TIME WDLS WILL ONLY FUNCTION ON ANDROID DEVICES. WDLS IS NOT AVAILABLE FOR iPhone DEVICES AT THIS TIME.

~~NOTE: WDLS WILL ONLY WORK IN LOCATIONS THAT SUPPORT E911 PHASE 2. THE NAVAJO NATION AND THE HOPI TRIBE RESERVATION DO NOT SUPPORT E911 PHASE 2 AT THIS TIME.
